Mounting your new spreader plate

Your new spreader plate is designed to be used with other Architectural Mailboxes products only. Please follow these simple steps to assemble the components of your mailbox system.

1. Mount the post in the ground as described in the instructions that came with your Mailbox or Drop Box.

2. Mount the spreader plate to the top of the post as shown, using the hardware included with your Post.

3. Assemble your Mailboxes or Drop Boxes to the spreader plate as shown, using the hardware included with the spreader plate.

WARNING - Spreader Plates not for use with products from any other manufacturer - may collapse. Designed to support the weight of Architectural Mailboxes products only.
